County Intermediate Hurling Championship

Round-1 **May 21, 1911** **Cork Athletic Grounds**
Blackrock 16-8 Sundays Well 0-0

As can be seen by the scoreline, it was all too easy for Blackrock. Sundays Well were a little competitive in the first half, but still Blackrock led 3-7 to nil at half time. The second half, Blackrock held the upperhand all through.

Round-2 **June 4, 1911** **Riverstown.**
Blackrock v St.Marys

No account of the game available.

Quarter-Final **July 17, 1911** **Cork Athletic Grounds**
Blackrock 3-3 Redmonds 2-0

A poor first half saw scores very hard to come by. Blackrock in fact failed to score in the first half as Redmonds scored two goals. They were held scoreless in the second half as Blackrock finally got on the scoreboard and two quick points in settled them as both Hayes and O'Leary registered goals to see them deservedly advance to the semi-final. Semi-Final **August 14, 1911** **Carrignafof, Cobh**
Blackrock 8-3 Emmets 2-3

Despite the scoreline, this was an entertaining match, where two teams gave it their all to qualify for the final. Blackrock had all the damage done in the first half, scoring five goals. Emmets were first on the board with a goal in the first three minutes. Sound play by the defense, in particular, D.Keane, enabled the forwards to enjoy a plentiful supply of ball. From this the likes of John Hegarty, Thonmas Cox and William Dorney punished Emmets. The second half continued fast paced, but the Rockies combination play ensured there was no comeback from Emmets. Cloughduv 6-2 Blackrock 3-1

The match was played in a near gale force wind which mitigated against an even contest. Blackrock played the assistance of the wind in the first half and were only a point to the good at the break. Cloughduv were first on the scoreboard with a goal. Shortly in a scrimmage near the Cloughduv goal, Blackrock equalized. Blackrock now began to get the upper hand soon after Christopher Hayes fired in their second goal. The play was even around midfield for a while before a free was taken by William Dorney who scored a point. A mistake near half time gifted Cloughduv a goal. As the second half progressed, Cloughduv took control and had two goals in quick succession. Blackrock brought some excitement to the half when Christopher Hayes banged in his second goal, but from there to the end Cloughduv deserved to claim the title. Semi-Final **June 16, 1912** **Cork Athletic Grounds**

Blackrock 3-3 Rangers 1-2

This was a dour poor game of hurling, with neither side showing much appetite for the tussle. Any early injury to Michael Cotter meant a long stoppage. Blackrock were first off the mark with a James Dorney point from a seventy. The hurling was described as crude, but pat Ahern still managed to fire home a goal before half time. Early in the second hald, Jermiah Kelleher got their second goal, followed shortly after by a Christopher Hayes point. Rangers then upped their game a fought back with a goal and two points, but the Rockies finished stronger with points from Thomas O'Sullivan and Jeremiah Kelleher.

Redmonds 7-5 Blackrock 2-1

Most disappointing display by Blackrock. Redmonds settled early with quick goals before Blackrock know what hit them They eventually got going and Christopher Hayes smashed in a goal to give them some hope. It was not to be as Redmonds increased their score to lead five goals and three points to a goal at half time. The second half was a matter of keeping the score respectable as Redmonds ran out the easiest of winners, and went on the win the county final.

Round-1 **March 21, 1915** **Carrigtwohill**
Blackrock 3-3 Midleton 6-1

Owing to the animosity of the teams due to the 1914 county final decision, the play at times was wild and dangerous with a number of injuries on both sides. Midleton were by far the better side in the first half, keeping Blackrock scoreless while notching up three goals and a point for themselves.

The second half was much more even, but Blackrock forwards were poor on the day and if the made better use of the possession they had the scoreline would have been much closer.

Blackrock objected to the constitution of the Midleton team as it had some senior players. Blackrock were successful in their appeal and advanced to the next round.

Round-2 **April 25, 1915** **Riverstown**
St.Finbarrs T.A.Hall 5-2 Blackrock 4-2

An exciting and fast paced first half saw Blackrock with the early advantage and scores coming frequently, with the defence equql to their task. Indeed it was not until the last few first half minutes that they were breached when the Hall scored a goal. Blackrock had a comfortable lead of two goals and three points to that goal at half time. On the resumption, Blackrock conceded a goal, but countered shortly with another one of their own. It was up and down the field with the Hall chipping away at Blackrock's lead until almost on the stroke of full time they scored the winning goal.

Cobh would go on to win the championship.

Blackrock v Redmonds

Match never played as the British Army were in control of grounds. All G.A.A. activity in the county ceased from 22-8-1920. At the time Lord Mayor Terance McSwiney was in Brixton prison on hunger strike, only months after his predecessor Tomás McCurtain was murdered by crown forces. Many other Cork men were also on hunger strike in Cork prison. Apart from the hunger strike, civil unrest continued on a daily basis with many dead.

As a result the Intermediate hurling championship was unfinished.

Blackrock 3-0 Castletreasure 3-0

Castletreasure, with the aid of a strong wind, made the early pressure and scored an early goal. Further pressure resulted in a seventy, which went all the way to the net. Blackrock then began to exert some pressure but could not get close to the goal. A third goal for Castletreasure looked like it was not going to be the Rockies day. With the first half drawing to a close, the forwards made a break through and scored a goal to lift the team. The second half saw the Rockies in command early on with a quick goal. Both sides now had some close efforts, but the next score was another goal for Blackrock, the equalizer. There was now still fifteen minutes to go, and despite several close calls by both sides, neither could manage the winner.

Blackrock 5-3 Evergreen 5-0

Blackrock struck early with a point, Evergreen came back , but sent wide, Blackrock got up for a second point. A short time later, Evergreen got through for a goal, to take the lead. After some vigorous and hard play,

Blackrock scored a goal. Then Evergreen took control, but failed to score with two wides when attempting points, and also missed a golden chance for a goal. Just before half time, Blackrock increased their lead with a second goal. 2-2 to 1-0 at the interval.

Blackrock opened the second half with a quick goal. However playing with the wind, Evergreen fought back with a goal, before Blackrock replied with a point. Hard play was now the order in all departments. Both sides missed chances before Blackrock got through for a fourth goal, only for Evergreen to immediately do likewise for their fifth. After the puck out, Blackrock wasted no time in scoring the goal to win the contest. Evergreen objected to an unnamed player on the Blackrock team, claiming he had played with another club within the last twelve months. Their objection fell through as it was not in duplicate. Evergreen then appealed to the Munster Council. Mr.O'Riordan(Shamrocks) proposed and Mr.Cotter(Cobh) seconded that Blackrock be requested to forego their claim, and let the matter open for the consideration of the Board. Mr.O'Callaghan(Charleville) proposed, and Mr.Seán Delea(Blackrock) seconded and amendment the the previous decision of the Bord as sanctioned by the Council be upheld.

On a poll, there were seven for the amendment and fifteen against, and the motion was declared carried.

Blackrock reported back to the Board stating the club could not see its way to waive its claim to the match in question.

The Chairman said in view of that decision nothing further could be done.

Nemo Rangers 2-7 Blackrock 3-2

Nemo Rangers laid the foundation of this victory in the first half as the raced into a four point lead by the break. Prior to that Nemo scored the opening point, before Blackrock came with a quick point. After some hard exchanges Nemo scored a goal. Timothy O'Donovan almost immediately scored a goal for the Rockies to cut the gap, but nemo finished stronger to lead 1-5 to 1-1 at half time. A much more determined effort in the second half was required, but again Nemo resumed in impressive fashion to extend their lead. At midway Blackrock forced their way through for a goal to close the gap. With five minutes to go the Rockies pulled back another goal, but time ran out with no further scoring.

Play was described as somewhat tame in the first half, with Blackrock having the better of things, leading a goal and two points to nil at half time. Both sides during this half missed quite a number of chances to score, with erratic shooting.

The second half opened with a pint to the Hall after a few seconds. Following a break in play due to an injury, they were back again for a second point. Maintaining the pressure they soon equalized with a goal. Intense pressure was now exerted by Blackrock, and from a seventy the ball broke loose, and with a swift lift, it was driven against the crossbar and cleared. A second and third soon followed before Blackrock replied with a point. Wayward shooting by the Blackrock forwards, meant that Ballinacurra availed of these let offs, to add three more goals, before Blackrock eventually scored one of their own just before half time, to trail 6-0 to 1-3. A constant drizzly rain fell throughout the match, but the standard of play was still very high. Blackrock opened strongly and soon had a point to their credit. St.Finbarrs then settled down, and in a few minutes raised the green flag. Before long they added a further two goals, but Blackrock finished the half better, and scored a goal and a point, leaving the Barrs in front 3-0 to 1-2 at half time. The play was of a much more even character in the second half, and a strong attack saw the Barrs go further ahead with a point. A fierce attack by Blackrock yielded a point, and excitement was fever pitch shortly after when they scored a goal.
